Statistics from Altmetric.com. Infectious Diseases of the Respiratory Tract. Ellis M, ed. (Pp 605; hardback; £125 (US\$200)). UK: Cambridge University Press, 1998. ISBN 0 521 40554 8. This book aims to be a comprehensive reference resource for all those involved in the diagnosis and care of patients with respiratory infections and, for the most part, it achieves this aim. HIV associated respiratory infections merited more space than the 10 pages of text, especially since there is no separate chapter on pneumocystis. This is a big book both in size (22.5 cm — 28 cm; weight 3 kg) and content to which anyone with an interest in respiratory infection should have access. ME. View Abstract. Request Permissions.
