The continuity of a tradition in English prose writing, linking the later with the early Middle English period, is somewhat clearer than that detected in verse. The *Ancrene Wisse*, for example, continued to be copied and adapted to suit changing tastes and circumstances. But sudden and brilliant imaginative phenomena like the writings of Chaucer, Langland, and the author of *Sir Gawayne* are not to be found in prose. Instead came steady growth in the composition of religious prose of various kinds and the first appearance of secular prose in any quantity. Religious prose. Because the manuscripts of medieval English plays were usually ephemeral performance scripts rather than reading matter, very few examples have survived from what once must have been a very large dramatic literature.
