After months and months of planning, writing, and editing, The Complete Book of Home Organization is now available! When I began writing my blog six years ago, I never imagined that it would turn into a book AND a #1 new release. I still can't believe it. I am grateful and thankful to everyone who has encouraged and supported me along the way. Thank you so much! About the book. Have you ever wished you had the time and tools to organize your house in a clutter-free, design-conscious, Pinterest-worthy way? From storage solutions and cleaning tips to secret space-saving methods and expert strategies. Complete at least one very advanced inspection course every 2 years, and. Have access to a number of learning tools such as inspection tips and technique illustrations, a library of home inspection books and videos, the industry's largest message board, InterNACHI's "what's new" publication of recent inspection news, and the InterNACHI University. If you need a home inspection performed, don't settle for anything less than a InterNACHI-certified home inspector. Contact me now to schedule your inspection. Primary Sidebar. "If you are happy with my service tell someone else. Written by a professional home inspector and fully updated throughout, The Complete Book of Home Inspection, Fourth Edition, shows you how to determine exactly what's behind, beneath, above, and around a house before you make an offer. If you're selling your home, you'll learn how to accurately evaluate its condition prior to setting a price. This comprehensive manual covers every aspect of exterior, interior, and electromechanical home inspection--and contains a new chapter on green home technology. Now with details on American Society of Home Inspectors (ASHI) requirements, th
