NPR coverage of Lest Innocent Blood Be Shed: The Story of the Village of Le Chambon and How Goodness Happened There by Philip P. Hallie. News, author interviews, critics' picks and more. In the last few months there had been an increase of official, especially police, activity in the village. The Germans were learning a new feeling, the feeling of danger. A few months before, the British and the Americans under the command of General Dwight D. Eisenhower had landed on the beaches of Morocco and Algeria, and Nazi North Africa was crumbling. To protect. Andre and Magda Trocme, Le Chambon's religious leaders, transformed the village into a place of refuge for all those fleeing from the Nazis' evil grip. Hallie focuses on the idea that although Le Chambon was surrounded by violence and inhumanity, it stood up for its beliefs and succeeded in saving many refugees. These were truly amazing people who not only gave material items in support of saving the refugees, but also gave of themselves. Hallie wrote this book as a eulogy for the leaders of Le Chambon. He expounds on the remarkable deeds they accomplished. It leaves me with a nagging question of "how could human beings have been so evil?" However, Lest Innocent Blood Be Shed is unique. Although it took place during WWII, it is tremendously uplifting and hopeful.
