The Artist's Way contains numerous techniques for building creativity and connecting to inspiration of interest to artists. It is an enjoyable read. Like infographics? How To Be Creative, 31 Ways - Infographic. There are those who deny that a person can be taught to be an artist, an inventor, or even just to be creative. I addressed this in a question on Quora about being born with creativity. It can enable you to create original art from your imagination. Once your imagination gets fired up the creativity just flows in at least that's my experience.
