Reviewer: Blaine Greenfield from Washington Crossing, PA United States Read another excellent book by Cheryl Richardson, author of TAKE TIME FOR YOUR LIFE and LIFE MAKEOVERS--both of which I enjoyed immensely . . . her latest is STAND UP FOR YOUR LIFE, and the subtitle says it all: DEVELOP THE COURAGE, CONFIDENCE, AND CHARACTER TO FULFILL YOUR GREATEST POTENTIAL.Â The first step is to realize that you are the force for change in your life. No one else can set your destiny, settle your grievances, heal you wounds, or tell you what to do. You must take full responsibility for an amazing gift that was bestowed upon you at birth--the power to create you life as a work of art. Then, tap into your inner power to develop the courage and confidence to move ahead. Richardsonâ€™s examples from her personal life and from her clientsâ€™ stories add lively human interest, and her comprehensive step-by-step program might intrigue many readers, particularly those who have just started reading self-help literature.Â If you want to zap your potential into high gear and make it actual and powerful instead of unrealized and dormant, develop it by standing up for your life. Gain the power from within yourself to reach your greatest potential and fulfill your highest ambitions. The first step to acquiring this power is developing self-awareness so you can assess how you handle day-to-day activities and identify any barriers that keep you from attaining your deepest desires.
