In allegory, multiple symbols are operating in the narrative. The allegorical narrative itself might represent an entirely separate narrative. An example might be George Orwell's Animal Farm in which the story of animals taking over a farm seems to represent the story of the overthrow of Czar Nicholas II in Russia. Allegories usually contain symbols: In Animal Farm the horses seem to represent the peasant class or serfs, while the pigs seem to represent the Bolsheviks and the Mensheviks. 1.8k views · View 3 Upvoters · Answer requested by. Mohamed Islam Mekadmini. Aesop's fable of the ant and the grasshopper is an allegory of the importance of hard work and planning for the future. The ant is a symbol of industry and provision. 2.8k views · View 4 Upvoters.

For him, it was the fact that art communicated experience which made it a rewarding study, and nothing fascinated him more than the way in which one culture picked up and transformed the images of another. This volume draws together fourteen essays written over a thirty-three-year period in which he ranges far and wide in search of these "migrating" symbols, trying to penetrate the meaning that artists have given them or that they have unconsciously conveyed. The essays - each with its original illustrations and notes - fall i
