SEMESTER IN WHICH THE COURSE IS TO BE TAUGHT	1
NO. OF CREDITS	4
NO. OF CONTACT HOURS	108 (6 hrs/wk)

1. AIM OF THE COURSE

- The aim of the course is to enhance the level of critical thinking of the students to such a degree that the students could critically interact with poems from different contexts: social, political, economic, historical and national as subjects conscious of their own socio-historic specificity.

2. OBJECTIVES OF THE COURSE

- To introduce the students to the basic elements of poetry, including the stylistic and rhetorical devices employed in poetry, and to various genres of poetry.

A post reading discussion should be centred on aspects such as genre, poet, theme, similarity, contrasts, style, language, metre, rhyme etc. Teaching techniques such as 'elicitation' could be mainly resorted to (by way of asking short questions, giving hints etc.). - To form an idea of the complex nature of literary studies and how they are entangled with other aspects of the social body.
- To unveil the constitutive elements and cultural specificity of literature along with the intricate process of cannon formation.

- To familiarize the student with other media, popular literature and emerging trends

2. OBJECTIVES OF THE COURSE

- To introduce and discuss the evolution of literature

GUIDELINES FOR THE PROJECT WORK

INTRODUCTION

The Scheme and Syllabus of BA Programme in English CCSS stipulates that the students should do a final Project. The UG Board of Studies held on 29/07/2011 discussed and resolved to propose specific guidelines for the preparation and submission of the said Project. The following are the guidelines for conducting, reporting and submitting the Project in partial fulfillment of the requirements for the award of the degree of Bachelor of Arts in English of the University of Calicut.

The entire course of Project Work is spread in the last two Semesters namely V and VI Semesters of the BA degree Programme. In the V Semester, the Course of Project work, with two hours per week allotted is a non-credit Course. However, in the VI Semester, the Course of Project Work is a logical and practical continuation of the Course of Project work done in the V Semester. In the VI Semester, the Course of Project work carries 4 credits. The number of hours allotted per week in the VI Semester also is 2 hours as in the case of the V Semester.

THE GUIDELINES TO BE FOLLOWED

The guidelines to be followed in the preparation, conducting, reporting, submission and evaluation of the Project work are as follows:-

1. The topics shall strictly adhere to the authors or socio-cultural backgrounds/influences of English Literature.
2. The candidates can take up a topic either from the prescribed syllabus or from outside the prescribed syllabus. The projects on the topics outside the syllabus will attract grace marks.
3. It is recommended that the project should be carried out on individual basis. In special cases Group presentation of projects can be allowed.
4. V Semester shall be devoted to the study of methodology of research and project work. By the end of the V Semester, a Synopsis of Project work should be finalised with the help of the guide.
5. The Synopsis of the Project, which is finalized by the end of V Semester, should be submitted to the Department for approval. It shall consist of the following:
 - Title of the Project
 - Objectives
 - Review of Literature
 - Methodology including the reading list.

It is strongly recommended that, the Department need not wait till the end of the Semester for the finalization of the topic for Project Work. The students shall be encouraged to start the project work as early as possible in the V Semester itself. This will ensure enough buffer time in case of unforeseen circumstances.

6. A Department Level Project Committee under the Chairmanship of Head of Department, in its due course of meetings, shall approve the topics for Project work. The Department Level

Project Committee may or may not conduct a zero-credit-zero-mark general viva to ascertain the competency of the candidates for conducting the project work. The Department Level

Project Committee shall give necessary guidelines, which should be taken note by the students as well as the guide.

7. The approved topics, along with the name of students and the name of the guide/supervisor should be displayed in a Notice Board under the Seal and Signature of the Head of the Department.
 8. Considering the number of students available in a batch and the number of Faculty members available in a department, it is suggested that the students shall be grouped into 5 to 10 groups consisting of 3 to 5 students. Each faculty member shall thus give guidance to one or two such groups.
 9. The VI Semester is fully devoted for
 - Library Work and Data Collection
 - Data Analysis
 - Project Writing
 - Report Presentation and Submission
 10. The candidates shall devote themselves to the realization of the project, making use of the holidays. Hours allotted for Project work in the V and VI Semesters should be devoted for attending lecture classes on Project work and for obtaining guidance from the Supervisor.
 11. Each candidate shall submit the Report of the Project work, separately under his/her name. However, in the case of group submission, the names of other members of the group shall be mentioned in the Certificate signed by the Supervisor/Guide and Head of Department.
 12. Normally a Report should consist of the following:-
 - 25 to 30 A-4 size typed or printed pages
 - Font: Times New Roman
 - Letter size: 12 for running matter
 - Letter Size: 16 for Headings
 - Line Spacing: 1.5
- Page Numbers: aligned to the top-center
 - Margins of 1.25 inches on all sides.
 - References if any may be given as Footnotes. However, this matter is left for the discretion of the student and Supervisor.
 - Spiral binding.

- Minor desirable variations can be adopted by the DLPC (Debat. Level Project Committee) of a College.
- Structure of the Project Report is as follows:- Page i)

13. It is of utmost importance that the student should refrain from plagiarism. The Supervisor shall take utmost care in this regard.

14. **Evaluation of the Project:** The Project Report shall be subjected to both internal and external evaluation. The Internal Evaluation shall be done at the Department level. As in the case of the Core Courses, the Internal Evaluation of the project carries **25%** Weightage. This has to be awarded to the candidates on the basis of his/her performance in the project presentation followed by an Internal Viva-Voce conducted by a three member Committee comprising of the Head of Department, Supervisor, and a senior Faculty member. The External Evaluation of the Project is based on the written material.

The external evaluation is done by a Board of Examiners consisting of a minimum of 3 members selected from a Panel of Examiners constituted from among the faculty members of English. The Board of Examination shall consist of at least one faculty member from the Department, the students of which are examined. A copy of the Project report shall be collected and sent from the Colleges (Examination Centers) to the University and the External Evaluation shall be arranged as per University decision.

Declaration of the Result: The student should get a minimum of C Grade for a pass.

In an instance of inability of obtaining a minimum grade of C, the Project may be redone and the report may be resubmitted.

UO , No. 3797/2013/CU dated. The University of Calicut is the largest University in Kerala. Established in the year 1968, it is the second university to be set up in Kerala. The University aims to nurture excellence in education and research in its catchment areas of Northern Kerala, historically consigned to the periphery of Kerala's academic map. As per the plan, the four post-graduate departments of the University of Kerala operating in Calicut were annexed to the new University along with fifty four constituent colleges spread across seven northern districts. With "Nirmaya Karmana Sree" as its motto, the University has been able to surmount all challenges and emerge as the largest residential cum affiliating University in Kerala.
