Place, Politics, and Rhetoric in Religious Engagements with Evolution. Johns Hopkins University Press 2014. New Books in European Studies New Books in History New Books in Intellectual History New Books in Peoples & Places New Books in Politics & Society New Books in Science New Books in Science & Technology New Books in Science, Technology, and Society New Books Network August 6, 2014 Carla Nappi.Â The book concludes with a look at the ways that these factors continue to be pervasive in more recent dealings with Darwin. With its vibrant language, careful research, and compelling argument, *Dealing with Darwin* will be a must-read for historians of science, especially those interested in evolution, religion, Darwin, and/or locality.
