When people encounter someone inquisitive who genuinely wants to hear what they have to say, far from being offended, they are usually eager to talk about the important things on their minds. Enough different types of questions are posed here to enable you to identify both the subjects you shy away from and the ones you are drawn to.Â THE QUESTIONS. 1. For a person you loved deeply, would you be willing to move to a distant country knowing there would be little chance of seeing your friends or family again? 2. Do you believe in ghosts or evil spirits? Would you be willing to spend a night alone in a remote house that is supposedly haunted?Â 19. You have the chance to meet someone with whom you can have the most satisfying love imaginable -- the stuff of dreams.
