Juvenile Fiction Definition " What's the best definition for the juvenile fiction book genre? Books in the juvenile fiction genre contain stories that would appeal to middle grade to young adult readers; it spans the age group of twelve to eighteen. The juvenile genre contains anything that would appeal to the teen demographic. The actual age of the target reader is determined not only by the age of the main character, but also the conflict and issue that teen is dealing with. eBooks - Category: Juvenile Fiction - Download free eBooks or read books online for free.
