The World around the Chinese Artist. Aspects of Realism in Chinese Painting. Richard Edwards. Xingshi yinyuan zhuan kaozhengâ€™™ (Textual criticism of the Xingshi yinyuan zhuan).Â Indeed, it is generally agreed that many aspects of European history during the early-modern period need to be studied from an international perspective in order to be understood fully. The author maintains that the same is true for early-modern China and Japan. Although they had radically different economic, social, and political systems, the Ming dynasty and Tokugawa shogunate experienced a number of problems during the midseventeenth century that were at once interrelated and strikingly similar to those occurring in other parts of the world at the same time.
