

A TREASURY OF TITLES

Summer Books for

Elementary School Readers

**METROPOLITAN NASHVILLE PUBLIC SCHOOLS
SUMMER READS FOR GRADES K-5**

2014

Reading is meant to bring pleasure, to develop one's mind, to extend one's knowledge and understanding, and to develop one's appreciation of a global culture. These award winning titles were selected to offer opportunities for students to continue their reading throughout the summer.

This booklet was designed to provide a treasury of books for elementary students. Books on many reading and interest levels, as well as, books that reflect our multi-cultural society, have been included. These titles are recommended by various award winning groups such as the Children's Book Council, Children's Choice Awards, Caldecott Awards, Newbery Awards, Notable Social Studies Trade Books, Outstanding Science Trade Books, Coretta Scott King Award, Robert F. Sibert Informational Book Medal, The Geisel Award, and The Pura Belpré Award, Author Honor Books, and Illustrator Honor Books. Individual schools may have their own reading lists which may be found on the individual school websites.

It is recommended that parents take an active interest in the selection of the books their child wants to read. Parents should encourage their child to read a variety of books, not just those by one author or subject. Children should be encouraged to read for pleasure as well as to extend the learning experience. Interest levels by grade are listed next each book to assist parents with selections. Some books will have a Lexile level. The Lexile® Framework for Reading is an approach to reading and text measurement. A Lexile reader measure represents a person's reading ability on the Lexile scale. Lexile can help a reader choose a book or other reading material that is at an appropriate level. The Lexile reader measure can also be used to monitor a reader's growth in reading ability over time. For more information on Lexile, go to <http://www.lexile.com/>. Being involved in the book selection offers the parent an opportunity to assist his/her child in making appropriate selections and to share in the child's reading accomplishments.

***“Our children are the hope of the future.
We need to nurture them carefully. If you
teach your children to love to read, you
are handing down a special kind of magic
to them--a gift that will enrich their
lives as nothing else can do.”***

Kids Who Love To Read***

Quotes to Think About

"Books were my personal pass to freedom. I learned to read at age three, and soon discovered there was a whole world to conquer that went beyond our farm in Mississippi."

~ Oprah Winfrey

"The more you read, the more things you will know. The more that you learn, the more places you'll go."

Titles are a special type of accessory that provide anywhere from negligible to massive stats. In addition, they can provide unique effects, such as auras, buffs, and summons. The stats provided by titles can vary very slightly, even between the same item. These stats can be reset through the use of a Kaleido Box. Titles can be obtained from completing certain quests, collecting a certain amount of items, participating in events, buying packages in the Item Shop, completing certain tasks, or by trading. A title is one or more words used before or after a person's name, in certain contexts. It may signify either veneration, an official position, or a professional or academic qualification. In some languages, titles may be inserted between the first and last name (for example, Graf in German, Cardinal in Catholic usage (Richard Cardinal Cushing) or clerical titles such as Archbishop). Some titles are hereditary. Having a hard time finding a title on the page? Use Ctrl+F (Cmd+F on a Mac) to find it on the page. For titles used inside a tribe, see Tribe#Default tribe ranks. Titles are unlockable words or phrases you can apply to your mouse. All new players begin with one title—"Little Mouse", and can earn more by completing specific goals. You can achieve as many titles as you want, but may only assign one to your mouse at any time. When you unlock a title, you will have the title for the next round onward.
